A modern living room and office space. In the foreground, a dark wood desk holds a laptop, a cup of coffee, and a pen holder. A black office chair is positioned in front of the desk. In the background, a light-colored sofa with colorful cushions sits on a light rug. A dark wood coffee table is in front of the sofa. To the right, two dark armchairs with patterned pillows are arranged around a small round table. A floor lamp with a white shade stands near a window with white blinds. A framed world map hangs on the wall. The scene is dimly lit, suggesting evening or night.

THANKYOU!
